Dear Sir:

Enclosed is your copy of Headquarters Approval No. 59-1 Change Order No. 1 regarding test site support to be furnished by Hycon.

It is suggested that the following type of control numbers be used.

EAFB Approval No. 59-1
EAFB Approval No. 59-2 etc.

POG Approval No. 59-1
POG Approval No. 59-2 etc.

Headquarters Approval No. 59-1
Headquarters Approval No. 59-2 etc.

At the beginning of the Government's new fiscal year, i.e., 1 July 1959 it is suggested that approvals be numbered 60-1, 60-2 etc. The EAFB and Headquarters Approval should reflect Customer No. 1 and POG approval should cite Customer No. 2. Two copies of each approval should be sent to Headquarters.

Very truly yours,

Dan
